

'LETTER TO MY KNIGHTS OF THE LAST TIMES' (4 July – 4 Aug 2010).

Introductory Messages

**18 July 2009:**

Good morning daughter. I Am your God and I love you. Daughter, I repeat over and over again that I love you because I Am a God of Love. I Am Love who is not loved, the stone rejected by the builders. My love is ridiculed by far too many of My children who mock Me. O! My pain! O! the Ire of My Father and the sadness of My Mother! O! the contrition amongst the angels because of the sins of mankind! And this is why I Am coming with My Justice for the impious who will have to suffer My Ire and the violence of the flaming arrows of My Holy Wrath. O! the Holy Wrath of rejected Love! How I cannot wait to impose My Justice and My Order in the chaos of your degenerate societies! And My **Order** (*of New Knighthood*) will be My Arm of Justice in the re-establishment of **order**. Because I Am coming to establish My Reign in mankind's midst and many who do not want it oppose My Justice, My Primacy and My Kingship! Nevertheless, I will subjugate the Nations, I will impose My yoke upon them and I will establish My Kingdom amongst them. Because My cherished and blessed children will work under My Banner (*Coat of Arms*), in My **Order** and according to My Will.

Yes, daughter, you will see My Triumph and you will live in My Kingdom after having been the instrument of the Great Combat that will follow **the Warning**. And then one day, when you will have seen the grandchildren of your children, you will rejoin Me in the plenitude of time. I will continue to speak to My people.

Daughter, I will triumph over the impious and I will establish My Kingdom over the earth. My **Order** is My Arm of Justice. I need battle hardened soldiers who have no fear of death. I need brothers on fire for the defence of Justice and My Rights. I need faithful sons who love their God more than themselves. I need My **Order of New Knighthood** and I need it set up rapidly because I Am coming with My **Warning** that is going to turn your lives upside down.

Yes daughter, I Am coming, I Am here and I await the day and the hour decided upon by My Father. I Am already here, I Am waiting, I stand by, right next to your souls. For My friends, I approach gently, giving them Love and Joy. I Am. My little soul, you know this, I Am here with you, you can see Me with the eyes of your spirit. You know My eyes and how I look lovingly upon you. But woe to those who will encounter My gaze of ire because of the sinfulness of their existence!

Daughter, here is My Mother who comes to speak to you: ...

**Mary speaks:**

I am Mary, the *Mother of Ireland*, and I come to speak to my people through this blessed

instrument of my Son. My children, listen to Him and do what He tells you.

Yes, my Son will lead you to the triumph of Justice over iniquity, **but do not put your trust anywhere else but in His Sacred Heart**. Listen to no-one but Him, and trust no-one but Him. Only My Son can extricate you from the trap that is closing in on you. Hold fast in the commitment that He asks of you. Consider the honour given to you of being the object of His special concerns and the instruments of His Victory.

**Knights**, arise, and swear a **solemn oath of everlasting fidelity** to your God who is calling you into His service for the triumph of Truth over falsities, of Justice over iniquity, of Faith over ignorance.

My blessed Sons, join Heaven's army as a terrestrial phalanx on a special mission. Form your *Houses* and your *Crowns* and I, as *Mother of Ireland*, will form your *Kingdoms* so that not one is missing for the Call of My Son.

The *Mother of Ireland* grants you her blessings. Thank you for responding to my call of placing yourselves at the service of My Son in His *Order (of New Knighthood)* and mine.

**Mary, Your Mother**

**23 July 2009:**

Dear children of Ireland, do not let the Beast seduce you by his underhand manoeuvres. Yes, your times are difficult after a false prosperity. But do not languish in regret over the onions of Egypt (past prosperity, see Nb. 11:5) when I Am now proposing you My Kingdom! Put up with suffering and carry the Cross with Me for a little while longer, in renewed Hope in My New Earth and New Heavens. Yes, I Am coming, My children, to renew your earth and your lives. Be My witnesses, be for Me a faithful people, with one knee upon the ground to honour Me, and with your gaze turned towards Heaven to welcome Me, because, truly, I Am coming very soon. My friends, understand the signs that have been given to you. Recognize the signs of the times and understand why, today, I Am coming to make an *Alliance (a Covenant)* with you.

**Jesus**

**24 July 2009:**

My children, I cherish you in a very special way and this is why I exhort you so strongly to join in My Combat for Justice. Take the side of God against the evil world that has your engulfing and swallowing up programmed. Take to heart and take into consideration My special *Message to the Counties of Ireland and South Wales*, in the various things I Am asking of you, and go to work My children, without being concerned about criticism and mockery. God is commanding you, My children. As faithful and trusting children, obey. I Am charging you with a high mission for My Reign. I need the response of faith of My children.

O! yes, My people, rise up for My pressing Call and work for Me according to My Ways. I cherish you My people because, even imperfect, you are faithful in the essential. Today, I Am coming to awaken you and to sustain your faith in the Christ who I Am so that *tomorrow*, very soon, you might obey *en masse* (as a whole people) My Call.

I Am sending My dear daughter of France to bring My Voice to your land. Welcome It and, let My children be seized with zeal for My House!

My dear sons of Ireland, understand the urgency of the times because I Am coming as conqueror of your souls. ***Of all combats of all times, this one, in which I engage you Myself, is the most just and the most holy.*** Let those who have allowed themselves to be overcome by discouragement raise themselves up again at the sound of My Voice! Let My children rejoice in their souls because here I Am upon the clouds surrounded by the Heavenly Court! Look, I Am coming and I Myself stand among you and I call you My friends!

**Jesus**

**26 July 2009: Feast of St. Anne**

My children, I bless you and thank you for putting yourself in My service without other preoccupation than the defence of My prerogatives in your Nation and in the world. O! yes, My children, I Am counting on you to make My Reign over this land which is yours happen, whether you reside there or whether you might have issued from it.

And I charge My son, *the Coordinator of My Works*, to bring you My Message so that you might know that you are the object of My special concerns again today. My Work with you does not stop with My *Message to the Counties of Ireland and South Wales*. My Voice is going to reverberate over your land from a number of my servants (both men and women). Yes, I Am going to make My Power resound in your ears and you will know that I Am is with you!

You, My dear sons who are chosen and called for My *Order (of New Knighthood)*, I ask you to set out, following Me, from now on, because *tomorrow* will very soon be at hand, and it is important that by then you will have come together in your *Houses*.

My daughters, have no fear, I Am taking care of your *Order* too. While waiting for My Mother to bring together her daughters, pray for My *Works* and for your Nation, and encourage your fathers, brothers, spouses and sons to respond to the Call of the Lord on their lives.

My children, you who receive My Word and who put it into practice and action, receive My abundant Blessings.

**Jesus Christ, Lord**

4 July 2010: **Jesus speaks** to A-M.

Now listen: My Will is such that I am going to impose it on the world for its greater misfortune and this signifies an accentuation of the purification of nations. From now on there will be no respite for the inhabitants of the earth who work against Me. Hell advances its *luciferian* plans, hence I am going to launch the great offensive of My Army. Thus must I rapidly set up this terrestrial army – *My New Knighthood* – which is the manifestation of My heavenly army.

For this I am going to send you (A-M) back to Ireland again to meet My sons and to bring them a letter on My behalf: **Letter to My Knights of the Last Times**. Saint Joseph will provide the Mother House so that My First Knight can live and work there. Saint Victor will help with this.

There is no conference (public meeting) to organise but only convivial meetings of prayer and friendship in the service of the Lord. Go where you are invited so that each one of My sons is able to meet you and hear My **Letter** and make of My sons Knights of My Order. The night of (*the Triumph of*) *My Holy Cross (Feast of the Exaltation of the Holy Cross, 14<sup>th</sup> September 2010)* will be perfect for this. And let all this be recorded in the **Acts of the New Knighthood in Ireland**. One of the Knights will maintain this chronicle which will record the *visible* and the *invisible*. (see '*Foundation of the First Order: the Order of Knights, Feast of the Exaltation of the Holy Cross, 14<sup>th</sup> September 2010, in Acts of the Order of New Knighthood in Ireland, 2010*'; 64 pp, 2018, onk07).

You (A-M) will especially meet the women who desire to take part in My *Order of Oblates*. On this occasion the **Instructions for the Daughters of Jesus** will be made known and the first *Annexes of Houses* (of Knights) will be set up.

18 July 2010: **Our Lady speaks** to A-M.

'Daughter of my heart, this is your Mother, Mary, speaking. I want to say once again that during your voyage to Ireland, I send you as *Ambadressess of My Immaculate Heart*. I want to begin with you the work of support of the *New Knighthood*. I want to bring together the first *Daughters of Jesus* so that the *Precious Blood of My beloved Divine Son* is honoured. The Auxiliary (Assistant) for whom you are waiting for this work will manifest herself during your sojourn there and she has *the Rule* <sup>(\*)</sup> of the *Order of Oblates* that Heaven commands. She is already a *Daughter of Jesus* in many ways.'

(\* **the Rule, a spiritual rule**, '*Devotion to the Most Precious Blood of Our Lord Jesus Christ*', given by Our Lord to Barnabas Nwoye, Nigeria; with *Nihil Obstat*, and *Imprimatur* by Bishop Ayo-Maria Atoyebi O.P. of the Illorin Diocese, Nigeria).

*'LETTER TO MY KNIGHTS OF THE LAST TIMES'*

**To My Knights of the Last Times:**

It is time, Knight, rise up for My service. Yes, I am raising up the *Army of the Last Times* and I am calling you because I am your Suzerain, your Lord, in Plenitude and Truth and you belong to Me.

Among you, My children, I have formed the first *phalanx*<sup>(\*)</sup> of My *New Knighthood* and now I want to make you Knights at the Altar on the day of the (Feast of the) *Exaltation of the Holy Cross (14<sup>th</sup> September)*. And so it will be every year; the brothers will be received as *Knights* on that night at the Altar.

Knights, raise your heads, raise your eyes, because Heaven now stoops down upon your lowliness to make of you models for your brother men, models to be followed, witnesses of Love acting in this world. If your arm stirs and acts, it is through My Will. If your tongue stirs and speaks, it is also through My Will.

Brothers, in becoming *Knights* of My *New Knighthood* you are clothing yourself with Christ who I am so that the *Reign of Divine Love, of Peace and Justice* is established.

You are the instruments that I am forming hidden from the world to reveal Myself. You are the *Army of God*, guided by Saint Michael and his Angels. His *Sword* indicates for you the direction to follow, his *Light* enlightens your actions, his *Wings* protect you and conceal you until I decide to reveal My action with you.

My sons, rejoice in being able, in these times, to enlist yourselves in the *Army of God* and to thus be the *Knights of the Last Times*, those who are preparing, with their God, the New Heavens and the New Earth.

Rejoice in henceforth taking your orders directly from the *Chief of My Army, the great Saint Michael, the Faithful One among the Faithful*.

Rejoice because this way you are assured of doing the Divine Will.

Love now impels Me to spread *My Work* throughout the whole world. Such is your task, My sons, from the moment when some (several) solid *Houses* have been established in Ireland and when the *Mother House* will be given by the Guardian Angel of your Nation (St. Victorix) and through the generosity of Saint Joseph.

Sons, yes, rejoice for having been found worthy of *Divine Works* and enlist in My service without reservations. Give and entrust yourself completely to My Love so that I reign, through you, over the *Nations*. Take up again and act upon what I have asked of you in

My Message (*Our Lord Speaks to His Children in ...*) to the Counties of Ireland and South Wales and work for My Glory over your Nation.

I will send to you brothers from other *Nations*; I will send to them My *Word* ... and I will establish My *Orders* among My *Peoples*. In this way My *Work* will spread from *House* to *House* and My *Army* will be implanted.

My sons, today I bring you the announcement of a *fourth work* desired by My Most Loving Heart. Alongside My *Order of New Knighthood*, and My *Order of Oblate Servants of the Precious Blood of the Sacrificed Lamb*, and My *Order of Servant Adorers*, I also wish to propagate My *Order of Knight Servants of the Eucharist*.

The *Order of Knight Servants of the Eucharist* is open to those of My sons who have pronounced *religious vows* and / or who have received *priestly ordination*. These men who are consecrated to Me through anointing, I want them as *Knights*, yes, but I am creating for them a special *House* dedicated to *Eucharistic Adoration*. Let their superiors consent willingly to this Call as a *vocation within a vocation*.

This *House* will be attached to the *Mother House* and will be composed of all the little *Foyers of Adoration* that I want to spread like a *fire over the Nations*.

Each *Foyer* is to be composed of *four Servants* who will establish themselves together at the dwelling of one having a chapel.

The *Knight Servants of the Eucharist* will adopt the *coat of arms* of My *Order of New Knighthood*; they will honour Saint Michael and will have as a *vocation within a vocation*, in *Eucharistic Adoration*, to sustain *spiritual combat* for the establishment of My *Orders* and through My *Orders of My Reign over the Nations*.

For the rest, each *Foyer of Adoration* will follow the *Rule* of its *Order* of origin or that of the Holy Church.

Each *Servant of the Eucharist* will comply with the following prescription of My Heart: at least three hours (daily) of *Eucharistic Adoration before the Blessed Sacrament exposed*, of which one hour is to take place at night so that Divine Light comes to illuminate the darkness of this world.

My *Mother* is the *Mistress* of this special *House*; she is to be especially honoured in every *Foyer of Adoration* as the *Virgin of the Eucharist*, She who gives to the world her beloved Son.

My *Knight sons*, these *Foyers of Adoration* will be a very precious support, and thus I will give you priests who will celebrate the Holy Mysteries among you and who will affirm the conduct of prayers during your meetings.

They will be *Knights* in full measure but set apart through My predilection, and their *House* is a special *House*. Being already anointed before Me through their *religious vow* and / or their *priestly ordination*, they will not be received as *Knights* before the Altar but on the contrary they are qualified *to receive My Knights* at the Altar. Being *Knights*, their mothers and sisters are entitled to admission into the *Order of Oblates* and will attach themselves to the *Annex* of the *House* of their choice.

If a large part of this **Letter** concerns this *fourth Order* of My Sacred Heart it is in order to underline the importance of the *spiritual combat* and the implantation of My *Works* in My *Holy Church*.

For the rest, My sons, from the time of the constitution of the first *Houses* and the gift of the *Mother House*, I will give My instructions through prayer and the charisma that I will raise up among My *Knights* because, if today I found My *Works* in you by giving instructions through the particular charisma of My little servant (A-M) who takes these notes, from now on I want to express *My Will, My Desires*, directly through you yourselves, through the graces linked to the ***vocation of Knight of the Last Times***.

From now on My daughter will dedicate herself to her vocation as *Founding Mother* of the *Servants of the Precious Blood of the Sacrificed Lamb* until I withdraw her from you.

My sons, ***Knights of the Last Times***, glorify your God in His *Works* and fulfil *My Will, My Desires*, so that *I Reign*.

I bless you with *My Special Blessing* as *Master of Novices of the Order of New Knighthood*.

**Jesus Christ Lord  
Master of Novices  
and  
Grand Master of the Order of New Knighthood**
