

*'OUR LORD SPEAKS TO HIS CHILDREN IN THE COUNTIES OF IRELAND
ON THE WARNING'* (13-27 September 2012)

Daughter, yes, this is your Lord speaking; take down the following message for My children in Ireland, for those who are faithful to the Call, for the humble and simple of heart, for those who trust in My Grace and *My Work*.

I have wanted, and I want more than ever, to consolidate *My Work* of the *New Knighthood* because I want to offer to My Mother the *Crown of Ireland*. I want to offer her the Crowns of each of *the twelve chosen Nations*. She is *Mother and Queen of Ireland*. I ask (a formal request) you to honour her as your *Most Venerable Suzerain (Queen)*.

When you, as a Nation, have acknowledged yourselves as subjects of the *Queen of Queens*,⁽¹⁾ then she will take charge of the destiny of Ireland and will govern this Nation with wisdom, love, justice and goodness, chosen by Me because of the faith of your fathers. The fathers were faithful, and if the sons are ungrateful, then because of the fidelity of the fathers, the Son will not judge too severely the sons of this Nation.

My children, the **Warning** is close. It will surprise everyone (the whole world), even those anticipating it, because of not understanding its precise nature. It is *immanent justice* (i.e., justice which results from the natural course of things and manifests itself sooner or later). It is like the flail of the winnower (thresher) who separates the wheat from the chaff. And it is a loving meeting with Me, your Lord and God. It is the ultimate choice, that of the soul which meets its Creator. The *Warning* is an Epiphany (i.e., a heavenly manifestation among men) which concerns all of humanity. It is Mercy upon the world. The *Warning* is the work of the Holy Spirit in the Glorious Trinity. It is the awaited Second Pentecost. It is the manifestation of transforming grace for those who receive It. Those who reject It, erring in straying, will be caught up by a great wind which will sweep them away over the entire surface of the earth; they will be sent back to their father and his works!

Then the **Great Combat** will be launched and will take place. And I want to be able to marshal in this Combat, not only *My faithful Heavenly Army led by St. Michael the Archangel*, but also My earthly militias composed of men, imperfect yes but nevertheless faithful, made invincible in *their Faith* through *My Will*. Let your weaknesses not alarm you, because *'It is when I am weak that I am strong,'* as St. Paul said, because I am your strength and My Power has no equal. Yes, let your current weaknesses not alarm you. Let the apparent weaknesses of *My Work* of the **New Knighthood** not alarm you, because I work where you yourselves can do nothing! I work in the invisible, which for Me is visible. I work in the non-material which is Light. I work in the heart of flesh (human nature), which often requires corporeal suffering because of the resistance of the human spirit to Grace. Allow yourselves to be purified so that *My Warning* finds you ready, like the wise virgins whose lamps are full of oil and who are able to welcome the *Bridegroom*. *I am the Bridegroom* of your souls, of whom I am the Father and Creator in the Holy Trinity.

The painful purification of My Church is of *My Will* because it is extremely necessary for these times, in order to prepare for the time which is to follow the *Warning*. It will be a time, neither completely in time (the temporal), nor completely in non-time (eternity). The perception of space will be neither completely space, nor completely non-space (spiritual infinity). And man will be neither completely man (human), nor completely angel (spirit), but he will have the perception of angels (spirits) and of souls who have preceded you in the Kingdom. Matter will be Light, neither completely matter nor completely non-matter (spirit). My children, pray for these times to come quickly now because the sufferings of the earth and of mankind are reaching their peak.

My Cross is laid upon this earth, as it was laid upon My shoulders. Three times humanity will touch the earth, falling under the weight of *the Cross*. Three times she will rise again through My Grace. The *Warning* is the resurrection of humanity in original divine Grace. 'O Cross, you will triumph!'; let this chant be now and then upon your lips; cling to this *Promise: My Cross will Triumph and you will triumph through your crosses*. This is not the time to flee and disperse as did the Apostles after My apparent defeat on the Mount of Olives. You, children, benefit from the *Grace of the Resurrection*, which at that hour they could not. You have the Church and the Sacraments.

My children, in the storm (that is coming), stand and hold fast because I am guiding you. Yes, hold fast, because the ship ⁽²⁾ is going to be severely shaken and tossed about and many will leave the bridge because of lack of knowledge of what is coming upon mankind, because they have not wanted to take heed of My numerous warnings; they have not wanted to listen to the many little voices that I have chosen for Myself more or less everywhere upon the earth, and they do not know what is coming, they are not ready and they will not be able to withstand the assaults of the furious winds of the storm. Do not follow them. Do not follow them. Pray for them. Do not follow them. The shepherds, who not only abandon their flocks, but also flee their own Master, are not good shepherds. The good shepherds are humble; the good shepherds are rare. Yes, because humility is the virtue most forsaken by My shepherds; everyone now considers himself to be the Master. Yes, where are My genuine servants? I want them in My *Order of New Knighthood*, in their place, that of good shepherds, that of intercessors for their brothers (and sisters), that of men of prayer on their knees in the Church, living according to the *Breviary*. Let it be so.

Now, My children of Ireland, I put to you the following question: What have you done since *My message to the Counties of Ireland and South Wales?* ⁽³⁾ Ask yourselves the following questions, in your innermost heart, in your conscience: Have I responded to the Call of the Lord my God according to my capacities and my vocation? Am I a worthy servant? Am I a humble son of the Church? Am I a loving son of the Father Who created me in His Goodness and Wisdom? Could I do better to correspond to Grace? Have I carried my share of the Cross, in accepting and offering the crosses of my life?

Yes, my children, a general examination of conscience seems to be well and truly necessary, because the passing of time dulls the holy fervour of the beginning and crushes

that virile enthusiasm under a mountain of false pretexts. I know man, and I excuse his weakness if he has recourse to *My Power*. But if he contents himself to languish in the nauseous gutter of his lifeless human works, then I cannot impose *My Will* because man has been created *free in his will*. He can submit to *My Will*, or he can allow himself to be dominated by squalid appetites of the flesh (human nature). Yes, My children, you are free. Free to love Me, and free to reject Me. Also free to accept only what is convenient for you and to hear only what suits you. I can do nothing in the face of your liberty as conscious created creatures (i.e., consciousness of one's responsibilities). *You alone can choose to submit your will to My Holy Will. You alone! ... you are free!*

I exhort you, My children, for your good and that of humanity, to trust Me, in Faith, and to *give back to Me that fundamental liberty (free will)* which is constitutive (fundamental to your being), so that I can work, through you, in the earthly world of which I am the Master in the order of Son-ship with the Eternal Father. I cannot act otherwise. I want to be able to act and to save you from your current misery. Let each one of you draw up an **Act of Abandonment of your will to My Will**. Then I will be able to make of you *My Servants*, in other words, *those who gladly perform the Will of the Master*. JOY -- this is the immediate recompense to this act of Faith, JOY despite trials, sufferings, uncertainties and worries: the JOY of GOD. This is what I propose to you, so that it would also be in JOY that you experience the *Warning*, and not in anguish. My children, how I long to be able to pour out upon you the Grace of the *Warning*.

My children, whom I love dearly in these difficult and troubled times, in which confusion entrains the fall even of the good, Trust in Me and keep your heart in Peace, because I am watching over you. Yes, I am watching over My faithful children and they have nothing to fear of My Power, rather, on the contrary, *let them exalt My Power, because It is the manifestation of My Word*.

And it is good that I, as Creator, am warning you. The *Warning* is *My Warning* to Creation over which *My Reign* is spreading through *My Divine Will*. I Alone am the *True Master* of the entire created domain. I am *Christ the King*. The *Word* reigns over matter created by the Father. The *Word*, which *I Am*, is warning you, through all the little voices of the earth whom evil seeks to silence before *the great Warning* comes -- the *Warning* which is for everyone. I am coming to thresh the harvest of My domain, to separate the weeds from the wheat, and the wheat from the chaff, thereby launching an inevitable extension of the *spiritual combat* which is taking place between the forces of evil and those of Good, which is My Father in the Holy Trinity.

This combat is a combat for the possession of Creation, and in essence is for the possession of mankind. My possession is that of a free (i.e., voluntary) and joyous subjection to the *Word*. The possession of My Adversary reduces to slavery, annihilates all liberty, and constrains mankind in his nature. When the good grain -- in other words, you, My children -- will have been definitively separated from the weeds, the spiritual combat between the sons of darkness and the sons of My Light will increase, to reach its paroxysm,

in what is appropriate to call *The Great Combat*, which in reality is already taking place. Because, already, I have commenced reaping and threshing My Harvest and a part of the good grain has already been separated from a part of the weeds. This part of the Harvest which has already been brought in and saved is now ready for combat. *This consists of all My children who have voluntarily chosen to be subject to My Law and who acclaim Me as their King.*

These children, so dearly beloved to Me, also acclaim in Truth *My Mother* as their *Queen*. My true children are subjects of *My Mother*. And just as those who have seen Me have seen the Father, so too those who love Me love *My Mother*. Our two Hearts are inseparable. *My Reign of Christ the King is also that of Mary, Queen*, in other words, *the Triumph of the Immaculate Heart of Mary*. There is only one Rescue Plan for humanity. And, My children, I call upon you and I enlist you to participate in this Rescue Plan, which passes necessarily through the *Warning*, by supporting the ***Order of New Knighthood of Our Lord and His Holy Mother, My Order and Her Order, of Christ the King and Mary, Queen***. Observe for yourselves how nothing is happening by chance, but rather, truly because of the fruits of *My Will*. I have willed to associate *My Mother* with *My Work* from the beginning. Work that I want to establish in Ireland.

My children, the times are now very close, the times which must find you ready, ready for the Meeting (the *Warning*), ready to face up, in Faith and Trust, to the difficulties, and close to Me. Yes, remain close to Me, in the Eucharist and in Adoration, and you will pass through these times protected under the *Mantle of My Holy Mother*. You will not necessarily find yourselves spared but you will remain in Joy.

My children, God is your Father and I am His Son through whom this world is saved; therefore, have confidence and Trust in Me. Do not allow yourselves to be troubled by events which are coming down upon this world. This world must pass away.

My children, read and re-read, and meditate in Adoration upon this message on the *Warning* which is coming. Work faithfully in *My Work* (the ***Order and its works, the five branches***). Fill your lamps *because the Bridegroom is coming, and He is coming soon*.

My children, I love you dearly, each and every one of you, and I bless you in the name of the Holy Trinity, Father, Son and Holy Spirit. Amen.

Jesus Christ, Grand Master of the Order, and Son of the Father.
