

*'JOY OF HEAVEN ON EARTH
FOR MEN WHO LOVE GOD',
Messages of Jesus Christ
to the Little Remnant (Jan-Feb 2013).¹*

Preamble

This booklet is addressed explicitly to **France** as the eldest daughter of My Church.

However, each **Nation** can read it by substituting its own name because, through **France**, I am speaking to **all Nations** who stand for God. ²

All My children who love Me are therefore concerned by this Call to join My **Order of New Knighthood** which I have founded deliberately in **Ireland** ³ and not in **France** ...

Nevertheless I want a *House* ⁴ of My *Order* in **France**, attached to the *Mother House* of Ireland in **Ireland**. Will I find twelve Knights who are not afraid to fight for My Name?

My children, as your King I bless you. And I await a response of Love to My Call which is addressed to you in this booklet which contains the diary of *My Word* (messages), which, nevertheless, are the last.

**Jesus Christ, Ruler of Nations
Grand Master of the Order of New Knighthood**

¹ This booklet is addressed to 'men' as 'mankind', i.e., to 'men and women'!

² the *Almighty Triune God* – Father, Son and Holy Spirit.

³ The *Order of New Knighthood of Our Lord and His Holy Mother*, founded in Ireland in 2010; see '*Acts of the Order of New Knighthood in Ireland 2010*'.

⁴ A *House* consists of twelve Knights.

(1 January 2013)

A-M: Lord, here I am this morning to listen to you and to write according to Your Will.

Jesus: Daughter, good morning; yes, this is your Lord Jesus. I thank you for placing yourself at My disposition in the tranquillity of the morning. Now listen and write:

The God of Israel is a God of Ire (Holy Wrath), jealous of His Creation, merciful for those who love Him, irate for those who do not love Him. This God is My Father and Israel is My People who love Me. I am that jealous God, capable of Holy Wrath against those who are denigrating humanity that I created, and I am that merciful God, patient and slow to anger and rich in mercy for those who follow My *Commandments* and who put their will to work doing My Will. There is only **One God, in Three Persons**, just as you have only one earthly mother, whom you sometimes consider good, and sometimes not so good, according to whether she does your will or not.

But I, My children, always love you with the same Love, whether you do My Will or not. Nevertheless, I suffer, I suffer in My Heart of mother – yes, God has the heart of a mother for His children – which loves you as you are but who wants to see you perfect, just as My Heavenly Father is perfect. I judge according to your works but I love My Creation because I created it perfect, and because the stain of sin does not close My Heart but, on the contrary, makes a wound in it, so that from it all My Love pours out for your Salvation. You know that I suffered once and for all for the redemption of your sins, but I continue to suffer mysteriously from the chain of effects that sin causes in you. Sin chains you literally to the enemy of the human race. And this attack on the integrity of My Creation grieves Me, provokes Me to tears, makes me gasp, and renders Me aghast before the face of My Father, to Whom I am to present humanity, the care of which He confided to Me as ***Christ the King***.

I am the Guardian of the Work of My Father and what do I have to present to Him today? What picture does humanity present to His Divine Eyes? How does humanity thank its God and Father for the gift of Life, of Creation, of His First-Born Son, of the Mother of the Guardian Angels, and everything else that He has done for it? Humanity is not even like Adam who, seeing that he was naked, hid his nakedness. No -- humanity, as it presents itself before the Divine Eyes of My Father is not even modest, it is no longer even conscious of sin. It parades around with its head high in arrogance before the face of My Father without the least shame. Humanity is shameless in almost its entirety. Even those who have received the teachings of the True Faith exonerate themselves of their behaviour by discarding everything. They say to themselves: Because this is happening everywhere, why would I do otherwise? Why should I hold my head lower than those who know no better? Why should I bear the weight of sin of which humanity exonerates itself so lightly? Now let Me tell you why: you will do this out of Love for Me.

Only those who resist this dereliction of moral conscience will be part of the *little remnant*, of those whom I call My Friends. And My Friends share My Sufferings of God offended. And, if they are sinners themselves -- because Satan never leaves them alone and always tries to make them fall -- they know how to call upon Me to be raised up again. They draw from the treasures of the Merciful Love of My Heart; they ask for forgiveness and they forge ahead full of Joy along their difficult path strewn with so many ambushes. Only these people are My brothers and sisters, My Friends with whom I share My concerns about the behaviour of the rest of humanity. My Friends suffer with Me, they shed tears with Me, they hope with Me in the **Warning** that My Father is going to give to this sinful humanity, so hardened in its sinfulness. Yes, the **Warning** is a **Grace for general conversion**.

My Father does not wish to hurl His Holy Wrath down upon humanity of these times without warning it beforehand in a personal and general manner, in its **conscience**. To *warn it beforehand in its conscience* means to make it consciously aware of its sinfulness before God. My Father does not wish to proceed with **judgement** of this humanity without warning it again, thereafter punishing it if it is necessary. The **Warning** is a **Grace of mercy** for the conversion of hardened sinners; the **Chastisement** too is a **Grace of conversion** for those who will deny the personal experience of the **Warning**. Yes, truly, how inexhaustible is the **Mercy** of My Father! Nevertheless, this **Mercy** itself requires being brought to an end lest Mercy itself be culpable of shortcomings in the education of His children.

(2 January 2013)

A-M: Lord, here I am.

Jesus: Yes, thank you, Daughter. I bless you in your desire of obedience.

The *Horses of the Apocalypse* (Rev.6:1-8) have been released; you can hear the thunder of their cavalcade. Fear not, My children, because they are not looking for you. They are gathering the troops of My enemy with a view to the **final combat**. You, little flock, *little remnant*, do not be afraid, because you know that Saint Michael the Archangel, with his celestial armies, is with you. Yes, the din of the preparation for the **Great Combat** is with you. The two armies are ready for the final clash, in Heaven and on earth. This combat cannot be avoided, cannot be spared you, My children, because it is now necessary: I can no longer allow the weeds to grow among the good grain because it is now time to bring in the Harvest. Yes, the Harvest time, so long awaited, is now here.

And now you must dress in working gear, you must put on your **battle dress**: the tunic of Truth which is *My Most Precious Blood*, the sword of Justice which is *My Word*, and the shield of the *Faith*. It is now time for the *little remnant* to manifest itself in the combat which, for the time being, is taking place in the Heavens.

I have already told you that My **New Knighthood** is My terrestrial army. I have raised up other fighting Knights for Myself but I have created **only one Order of New Knighthood**. Let every one of My warriors find his place therein. This is not the time for quarrels, of groups, or of belonging to groups. It is time to assemble *My Flock* within the *unique* structure that I have Willed. Each of My faithful children can find their place in one of the **five branches of My Order**. Leave behind your fears -- so human -- of belonging to particular groups or of the loss of prerogatives. I am calling you all to join **My Order**. An army is effective only when it advances in organised *battle order*. In all of Creation, order is preponderant. Without order Creation would not hold together. It is because everything is ordered to My Power that Creation exists and has its being. **How much more must My Armies be ordered to (i.e., organised according to) My Power for this decisive combat for the future of humanity.**

It is I Who ordered and directed the establishment of this **Order of New Knighthood**; I gave it its **Statutes**, its **Rule**, its **Coat of Arms**, and its **Motto**. And although not all are called to join the **First Order** as **Knights**, or the **Second Order** as **Oblates**, all can freely and without reservation join the **Fifth Order** of My **Prayer Warriors** -- the **Servants of the Heart of Jesus**. In this it is enough -- let Me repeat it again here -- to join up in **union of prayer**, in other words, to add to your usual prayers and devotions the following *prayer intention*:

The Act of Commitment and Prayer of the Servants of the Heart of Jesus:

**O Heart of Jesus, I want to serve you
by supporting through my prayers and good works,
the Orders that You Yourself have founded
for these times which are the last:
the Order of New Knighthood and
the Order of Oblate Servants of the Precious Blood of the Sacrificed Lamb,
the Order of the Servant-Adorers and
the Order of the Knight Servants of the Eucharist,
and I choose for my Mother, Mary, model of co-Redemption,
so that it is She who guides me. Amen.**

And hence you (men and women) become, in My eyes, a **Servant of the Heart of Jesus** (in the **Fifth Order** of the **Order of New Knighthood**). Each one of you, My children, can and must help Me with this **Prayer Intention**. Do not think that this is just another call that does not concern you. If you are reading these lines it is because I have chosen you for My Plan of Love for this world. It is because I call you to be part of the *little remnant*. This is not about favouring a particular prophet (i.e., messenger); all prophets reflect a part of My Light, and I have chosen this prophet to announce My Plan for the rescue of humanity through My **Order of New Knighthood**. I have already said, this is no longer the time for quarrels and of belonging to separate groups; it is time to join and form up in the ranks of My **Order of New Knighthood**. What does it matter whom I use as secretary of My Work, this is My Work.

The secretary is only a secretary, and only transcribes what the Master tells her or him. I am **Jesus** ('Yahweh Saves') **Christ** ('Yahweh's Anointed One') **the King**, do not forget this! I have written you **Letter** after **Letter**, and this is the last one that I send you in order to solicit you for **My Work**. I have called, exhorted, begged, warned, sermonised; I cannot do more if you do not respond to what I ask (demand) of you. But you will not be able to say afterwards that God remained silent, that He did not warn you, that He did not look after and take care of His people.

Jesus

'Almighty God created us without our participation, but He will not save us without our participation.' (St. Augustine).

(3 January 2013)

A-M: Lord, here I am to listen to You. Do you wish to speak to me?

Jesus: Yes, daughter; listen and write.

The times have arrived, the times of promises and the times of trials. All manner of difficulties are going to follow one upon another so rapidly that you will not be able to keep up with what happens in each country. You know that this is but the effect of the *Great Purification* that has become necessary because of the behaviour of your societies that have gone astray. I can no longer tolerate your conduct and I am going to commence casting down works that are not Mine. And for this I am going to order My **Knights** to undertake a series of targeted attacks with the **Special Weapon** (prayers) that **St. Michael the Archangel has confided to their care**.

As I have already said, I will successively designate directly to the *Council of the Order* the objectives. And you, My children, you will hear speak of the collapse of such or such an institution. You will know that this is *My Work* through My instrument for these times which is My **New Knighthood**. I do nothing without purpose and My *Word* is not without meaning: I chose to create My **Order of New Knighthood** and I have assigned it a mission, firstly for the purpose of **purification**, and then for the **reconstruction** of human society, because through it I want to extend My Social Reign over the Nations. My children, support with your prayers My instrument for these times ... times which are the last. ⁵

Now, My children, I exhort you once more to trust Me, to place your confidence in Me, to support My **Order of New Knighthood**, and to at least participate in prayer, by making a

⁵ ... **purification** ... and ... **reconstruction** -- this is the work of 'the rod' and 'the staff'; see 'The Rod and The Staff' Vols. 1-3, see **ONK Publications List**).

conscious **Act of Commitment** which incorporates you in the **Fifth Order**, of the **Servants** (men or women) **of My Heart**.

This call is very serious, I need your participation in *My Work*; I need your cooperation with My Plans. My children, this *Work* is the most important work of all time because never have you (i.e., humanity) been so close to the abyss. My Almighty Power, as you know, needs the cooperation of your *free will* to work in the world. And it is truly time to act, my children. Yes, now is the time for the *action* of the *little remnant*. And the first action I ask of you is to take the time, two minutes every day, to pray the **special prayer intention** which incorporates you in the **Fifth Order** of My **Order of New Knighthood**. Do not neglect this simple means that each and every person can perform, no matter what his or her situation might be.

(4 January 2013)

A-M: Lord, here I am.

Jesus: Thank you, daughter. Listen and write:

Too many pastors mislead and jeopardise *My Flock* and, instead of leading it to the refuge of the Immaculate Heart of My Mother, lead it down perilous paths that lead it to Satan. Yes, too many of My pastors are no longer My pastors but are knowingly ministers of the *luciferian cult* in conscience and are making use of My Churches and My Body consecrated by their impure hands for doing so. O!, how these perverse and scandalous pastors make My Heart suffer!

Others among My pastors, without having passed consciously over to and having willingly joined the enemy, are nevertheless not worthy guides because they reject large parts of the Faith and Dogma. They no longer have **the Faith** but continue to share certain Catholic beliefs. But the sieve (of their *'faith'*) is such that it no longer enables them to be leaders of *My Flock* which is being lost by following them. The souls of the people no longer have good guides or directors, and hence it is not surprising that the people are going astray. Only those to whom I have made the gift of **the Faith** which provides them with the necessary discernment still manage to maintain the **Catholic Faith**, but My pastors too frequently act contrary to them.

Continue to believe in God, My children, according to the age old **Faith**. **Do not follow such pastors**, My children; continue to pray for them, but nevertheless distance yourselves from their false doctrine, and seek out My holy priests. Pray for them and offer Me your sons for future times. I want to form for Myself a new generation of generous and trustworthy pastors. The Church of tomorrow needs many holy priests; pray for this harvest and offer Me your sons. I will bring to an end the iniquitous conduct of priests who are selling out to the enemy

the *Flock* whose protection they are responsible for in My Name. Yes, the traitors will perish before having led *My People* down evil paths where they become lost. I will reveal scandal after scandal and their masks will fall. They will no longer be able to hide their forfeiture (breach of duty). Life in the world is such that many fall because of lack of prayer, because of failure to remain faithful to the '*Breviary*', because of psychological weaknesses, and also because of solitude. These are not evil, but they are weak and are on the slippery slope of depression and despair. This makes of them incompetent pastors.

And this is especially why I have willed (to establish) the **Fourth Order** of My **Order of New Knighthood**, that of the **Servants of the Eucharist**, who live in small communities of four in order to support each other and to avoid suffering from solitude and to withstand this depressing world. Let My bishops encourage this form of community in their dioceses. Let these little communities come to Me in Adoration of the Blessed Sacrament at least an hour every day to begin with before extending this to three hours, necessary and prescribed.

Let such priests who truly wish to serve Me in Truth be in the *confessionals*, in the *catechism classes* and in the *churches*, and let them leave worldly temptations behind. My people will be drawn to such priests who are real priests and real **Knight Servants of the Eucharist**, who **I Am**. I am not formulating here new demands; I am but reminding of the holy state (of Priesthood). O! My priests who do My Will, how I love you and how souls have such need of you! Serve devotedly My **little remnant** so that it survives until the *new times* (the new era) that I promise you when all things will be renewed.

(5 January 2013)

A-M: Lord, here I am to listen to You.

Jesus: Yes, thank you, daughter, for your fidelity to My Word. Listen and write.

The Harvest is for very soon and the more time passes, the more numerous are My children who no longer believe in My *Word* (the *Gospel*; messages ...) because, from their point of view, it has not been accomplished in the (apparently) allotted time. But whoever has contained *My Word* in a period of time? They, themselves! They are like the unwise virgins: they had a measure of oil as required according to their own estimation of allotted time and it has been used up before the arrival of the Bridegroom.

Do not do as they do, My Children. Time belongs to My Father, because it is He who fixes the duration of times and who establishes the limits of times. Be like the wise virgins and maintain a sufficient reserve of oil because you know neither the day nor the hour when your **Faith** will be recompensed by **My Second Coming in Glory**. I will return in the same way that I disappeared from the eyes of the assembled disciples at My Ascension. Do not look

for Me on the highways and byways of this world, My Kingdom is not of this world. Do not use up all your reserve of oil, which is the measure of your **Faith**.

The Bridegroom is coming, My Children, and He is coming in your time, do not doubt it. Persevere in Hope because the time for the accomplishment of the prophecies has arrived. Do not allow yourselves to become discouraged but on the contrary live in Joy because you now have all the predicted signs which announce My Return in Glory. Do not be blind to the signs that I give you. Search the heavens because numerous signs are hidden there which are soon going to become visible even to the most incredulous eyes! Search the seas and the floor of the oceans because they too speak for their Lord. Measure the height of the mountains and the depth of abysses.

And be attentive to the sounds of war,⁶ **rumblings that serve a quite precise political agenda, in order to have you accept the authority of a *single person* (the Antichrist),** in reducing you to total slavery. This "*man of peace*" who is going to reveal himself, serves only himself and he will assure a **false peace** which will be established to the detriment of the liberty of the children of God. **I am Peace; I Alone am able to obtain this Peace and guarantee it among peoples, through their adherence to the one and same Faith in the one and same Jesus Christ the Lord. I and I Alone, Christ the King, am the Only One able to bring His people together in a *single Flock*.**⁷ The enemy can only ape My Plans, but you will easily recognise him for what he is because your *Faith* opens your eyes to discernment of the Truth. This *man* is a man of falsities and his peace is slavery. He speaks of *love, of peace and liberty* but he hates the human race which he wants to lead to the abyss of his folly. Do not follow him; he is a liar and murderer. This "*man of peace*" is a warmonger. This "*man of peace*" is a slave master. This "*man of peace*" is a smooth and clever operator.

Only **My Reign of Christ the King** can bring you true Peace because I am your Loving God who has redeemed you through suffering from your sins. I have proven My Love for you by having shed My Precious Blood for you. My Kingdom is not of this world, **but nevertheless I am coming to establish My Glorious Reign upon the earth.** My Children, you know all this, but in these times which are the *last* (the '*end times*'), certain truths must be restated. Trust in the Divine Plan to save you. Do not listen to the noises of the world except to know and understand the times you are living in, but keep your eyes open and your hearts turned towards Heaven from whence your Salvation is coming. Only God saves. I am '*I Save*', Jesus ('*Yahweh Saves*'), incarnate, resurrected and risen to Heaven. There is no other way but Me. **I am the Way, Truth and Life** (John 14:6). **I am the God of Love, of Peace and Justice. I am the future of the world. Trust Me, My Children, I save, and I am saving My little remnant which understands and loves My Plan of Salvation.**

Your **Faith** is being put to a severe trial, I know, and this is why you must maintain your

⁶ "wars and rumours of wars / revolution" (Mark 1:7).

⁷ This is the key to understanding the errors of the Abu Dhabi Declaration on Human Fraternity (4 Feb. 2019).

Faith in prayer and the Eucharist, because there I nourish your souls and your **Faith**, and I give you **Hope** in abundance. Hope that goes contrary the despair of the world. Yes, live in Joy because I am coming to save you from the folly of My adversary and his henchmen. Joy upon earth for men who love Me! Joy in their hearts when all is terror, madness, horror, war, slavery. Joy, because of **Faith** and **Hope**. Joy, yes Joy, Joy that is inadmissible and beyond reason for this world. Yes, live in Joy because I am coming to save you.

My Children, My Love is inexhaustible and My Power is without limit. I am able to do anything and I alone have this Power that saves; no man either wants to or can save you. **Let My Power of Christ the King extend across the face of the earth through your Hope!** I love you! *Little Flock of My little remnant*, remain faithful and you will live. Be attentive to *My Word* and I will protect you from the ravenous wolves who want your death, the second (i.e., 'eternal damnation'), more than your physical death. Trust in your one and only Shepherd and forge ahead fearlessly in this mad and murderous world. And do not be afraid of Witnessing or of the price of blood, for it is the price of the prize of Heaven. Be ready for martyrdom if necessary and you will have the reward of a martyr.

My Army, rise up for the combat!

(6 January 2013)

A-M: Lord, here I am.

Jesus: Yes, daughter, Amen. Blessed are you for coming to serve Me faithfully every day as I asked you.

A-M: I know that this faithfulness is a grace that you give me because on my own I am not regular.

Jesus: I have given you this grace, in fact, **because you have put your will at the service of doing My Will**. I have often said to you, alone your adherence to My Plans is necessary for Me to be able to act through you.

A-M: And then, Lord, I have the impression of being useful in transcribing Your *Words*, because I have been frustrated in observing the madness of the world without being able to do anything about it, and here I know I am able to do something.

Jesus: Yes, daughter, now is the time for action and it would be useless to agitate in many directions when I have given you a double mission sufficient to fill your time: of being My secretary and the **mother of My Daughters**. The accomplishment of the mission, like accomplishment of a duty, procures a joyful serenity that fills the soul that knows what God asks of it. Now, daughter, listen and write:

The prophetic times have arrived, they are here, My Children, and I am calling you to play your part in *My Plan*. Accomplish your mission and you too will live in Joy amidst the trials

and in a world which is going against *My Will*. Be an opposing force, to draw this world to Me, while the enemy strives to lead it astray by every means. The more the world aligns itself with the enemy, the more I call you to draw closer to Me. I am the refuge for your troubled hearts amidst the *wolves*.⁸ **The Heart of My Holy Mother is a sure refuge where you will always find Me because our Hearts are always united.** I took Flesh from her flesh and Blood from her blood; Flesh and Blood that I then gave for you in the Sacrifice that pleased My Father: the gift of total Love in My Passion and My Death on the Cross.

My **Mother** stood at the foot of the Cross and Her **Immaculate Heart** suffered with Me all the torments of the Passion, and her Motherly flesh (i.e., her being) was violently affected by it. Today she is with Me in her body without having known death because her agony during My Passion was such as if death had already visited her. She did not need this passage, this *Passover* (cf., *Easter*), to rejoin Heaven because she was already dead to the world well before having escaped it. And it is this wounded heart and flesh (i.e., being) that humbly watched over the very beginnings of My Church.

And this is why she is your **Mother**, who continues to suffer with and for you, until all My Children have rejoined the protecting Homeland of our Two United Hearts. Do not cause this tender **Mother** to suffer longer by refusing the refuge that she wants to provide for you. Allow her to draw you close to her. Choose her as your perfect **Mother**, without stain and without fault. She is the **Mother of the Sacrificed Lamb**, she is your beloved **Mother** and the perfect model of participation in *My Works*. She is the **Mother of Co-Redemption**; be her children and be co-redeemers with her and with Me so that the world might be saved. Such is the Will of My Father.

(7 January 2013)

A-M: Lord, here I am, to listen to you.

Jesus: Good morning, daughter, I bless you and I love you because I am your God of Love. Love Me, daughter.

A-M: Lord, I love You, you know this.

Jesus: Good; now, listen and write:

Furious storm winds are brewing up upon My People and because they have little heeded My repeated warnings, they are going to be surprised in the very midst of their slumber. They, My People, are not completely asleep, but they have become lethargic because of the layer of lead that weighs down upon your Nations. The tempest which is now going to unleash itself upon them will take them by surprise when they ought to be prepared and armed against these attacks which are foreseeable.

⁸ ... the *wolves* of which Pope Benedict XVI spoke, the '*deep church*' of which Archbishop Viganò spoke.

But My People have preferred to hold onto their naïveté and, disbelieving or believing very little in the existence of ***the enemy***, they do not want to accept that today his henchmen reign. And let Me tell you that these *luciferian* henchmen have not yet really launched their war against My People, so what will it be like when this actually happens? What you see today – and do not want to understand – are but preparatory attacks to test your reactivity. And already you are surprised and astonished by this virulence, so what is going to happen to the little *Faith* you have when the war is launched against you?

Do not allow yourselves to be swept away by the storm that is coming; tether your ship to My Cross and forge ahead under *My Law*, in *Faith* in ***Jesus Christ the Saviour, King of France and Ruler of Nations***. And especially listen attentively to Me, I Jesus, who am warning you once more – the last time nevertheless – of the dangers that lie in wait for you and that, in your ignorance of the intentions and the strength of the enemy, you refuse to take into account.

The end of My Church has been decided upon by *luciferian* decree. This is the Truth, My Children, and all the current soothing discourses that are intended to put you to sleep are nothing but lies. Open your eyes to the realities of these times that are the last (i.e., *the end of the times*). Wake up and become aware of the danger and arm yourselves with *Faith* and *Hope*. I am with you, My Children, to encourage you in defending the *Faith* and the *Truth*. ***The enemy* has already well introduced himself within My Church and within your Nation(s),⁹ and like a good parasite he disguises himself very well in order to pass unnoticed; but I will unmask him and you will see.** Do not be credulous (too ready to believe something); you have allowed yourselves to be put to sleep by false discourses; the wake-up call will be brutal and, in order to spare you this astonishment, I speak to you again here with this warning.

Take *My Words* into account, what I am saying to you, because there is no use reading them and then just as soon forgetting about them, or even rejecting them when you do not understand them. Do not let the seed fall among the weeds of your misconceptions and false understandings where it will be suffocated. Cultivate a plot of good ground in your soul, My Children, where the seed which falls will be able to germinate, take root and yield its fruit.

(8 January 2013)

A-M: Lord, here I am.

Jesus: Yes, daughter, blessed are you for your being at the service of My Word. Listen and write:

The barbarian hordes are amongst you and you act as if you do not see them because, in

⁹ ... the *'deep church'* and the *'deep state'*!

your country, it is forbidden to put a name to the dangers. But let Me tell you that you have allowed barbarian hordes to install themselves amongst you and who want to destroy you because they do not know otherwise than to suck the blood of others to live. They are leading you to destruction with your complacent assent.

Wake up from your blindness, My Children, and become aware of the state of your society and your civilisation. What remains of its grandeur and its world renown glory? Nothing. Today for many she is but a subject for mockery. What do you think might happen to your Nation where practically everyone is without *Faith* or *Law*, where armed barbarians having the will to conquer proliferate among you? You are going to disappear and your Nation as well. The war has commenced and nowhere can be seen any of *My Warriors* arise. Is there no man in this country to respond to My Call and to enrol in *My Army*? Are they all weak and cowardly? Have their wings been clipped by despair? Why do they not believe in *My Words* (messages), which are Hope and Salvation? Why do they not come out of their slumber and rise at the sound of My Voice? France, where are your *Warriors*? Where is *My Army*? Who will take up the defence of ***My Rights*** upon your earth? Who will rise up for *My Name*? Who will restore your Nation in its ***mission as the eldest daughter (of the Church)***?¹⁰ Who?

I have founded the necessary *instrument* for ***My Armies: My Order of New Knighthood***, but I have no ***Knights***; what sort of Suzerain is it who has no armies for his defence? Yet I am ***Christ the King*** and you are My Beloved Children; I need you in *My Plan*. There is no other salvation than that to which I am calling you. No man, no party, no group apart from that which I have designated as *My Instrument* will be able to work for your salvation. Child of France, have *Faith* in *My Law*, join up in My ***Order of New Knighthood*** and through Me you will conquer the enemy which wants to withdraw your liberties as children of God and to enslave you to *My enemy*. Inform yourselves of the stakes of this combat. Do not be lukewarm; be aflame with zeal, yet nevertheless be prudent.

Women of France, enfold yourselves in prayer in the footsteps of St. Genevieve.¹¹ Rise up as defenders of your *Nation*, of your *Faith* and of *My Law*. Raise your children in the Love of God and the desire to serve Him, for love of France, for love of its Catholic identity, and for love of ***My Mother who is Queen of France***. Do you not know that it is the Love of My Divine Blood that will save you?

(9 January 2013)

A-M: Lord, here I am, ready to listen to You.

Jesus: Yes, good morning daughter, I am here with you; listen and write:

¹⁰ see « *La Mission Divine de la France* » by le Marquis de la Franquerie.

¹¹ St. Genevieve, Patron of Paris, led the Franks in prayer beseeching the divine intervention that stopped the horde of Attila the Hun, in the *Battle of the Catalonian Fields*, 20-22 September 451.

The tomb is open ... the one in which the enemy wants to entomb you. Do you not see the manoeuvres by which he is leading you there? Do you not see how he is attacking all the foundations of your native land? He knows that by undermining your *human identity* (with the *new theory of gender* and the current campaign for '*marriage for all*' for example), as a people, and as Catholic children of the Heavenly Father, he is leading you astray from being what you are, your very identity, and hence from your capability of discernment, and even from your will to live. He is thus leading many of My Children to suicide, sometimes physical, always spiritual.

There is no other Way but Mine: return to your **God, the Father, the Son and the Holy Spirit. Only the Trinity saves and assures your identity.** Do not allow yourselves to be stripped of your human identity ¹² created by God, of Franks (French) whose native land you inherited from your fore-fathers, nor of your Catholic identity faithfully maintained by lines of worthy kings. The enemy has obtained the head of the king; he has taken over your land, your laws, your government and he is leading you to the tomb. Do not be naïve, wake up, open your eyes, look around you, look for the *Truth* and draw from it the inevitable logical conclusions: the enemy wants your death, the second (eternal damnation); he wants power over your nation in order to destroy it; he wants power over your bodies (your physical beings) and your spirits in order to enslave you to his plans.

This is where the fight is today, My Children, not tomorrow when the takeover (seizure) of your liberties will be total. Rise up, now (before it is too late), for your defence and for the defence of **My Rights of Divine King** over yourselves and your native land. At least, My Children, before it is too late and you have ceased belonging to Me as souls, you can still belong to Me as a people and Nation. I do not recognise the law (of 1905) of *separation of Church and State* which has brought you to the concept of secularity (secularisation; non-denominationalism ...), taken over today for the benefit of the enemy. Your secularity is abdication of your *Faith* in Me your God. As a people you have rejected Me; do not also do so as individuals because then I can do nothing more for you. Engage yourselves in the combat to which I call you in My **New Knighthood** and defend your rights to live according to your *Faith* in a Christian civilisation, in your land, which I gave to your fore-fathers. Straighten yourselves up and raise your heads high; be proud of your human identity, as Franks (French), and as Christians. It is this triple identity, recognised, loved and lived, to which I call you because I am your God, your King and your brother. To deny any one of these three aspects of your identity is to go against My Will. Certain people will not understand *My Words* (these messages) and they will reject them, but let them examine *My Words* attentively and they will be obliged to recognise the Truth of them, or that they have joined the enemy and already have a foot in the tomb that has been prepared for them.

¹² Human identity: of man and woman, children of God.

A-M: Lord, I am listening to You, if You wish to speak.

Jesus: Yes, daughter, I am here, and in fact I want to continue the writing of My booklet. Listen and write:

Blasphemy¹³ is upon the lips of those who have sworn the loss of My Children. It is only the Catholic religion of My Church that is publicly mocked and despised. The martyrs in all countries are Christians. The least allusion to or criticism of other religions gives rise to loud outcries of well meaning society but no-one defends the honour of My Name. I no longer accept that the Holy Name of My Father is blasphemed, or that of My Mother, or even My own. I am pouring out My Divine Fire over the most debauched countries; one does not mock God without consequences! Of course, again, you will refuse to see the link between cause and effect, between the response of God to such blasphemies and burning fire or searing cold (weather swerves, wildfires ... etc.), but let Me tell you: I am passing through purifying fire those miscreants who attack My Name or who publicly mock God by wilfully contravening the *Decalogue* (the *Ten Commandments*). I have said, '*Thou shalt not kill the innocent*', and you encourage abortion, a crime of blood that cries to Heaven for vengeance.

I am coming to purify your Nations and to save your children. Who will do it if I do not intervene? My poor children, you are so weak now (in these times) that your voice is mocked and wicked laws can be imposed upon you. And this especially is why I invite you to rally from among all the Nations in the *Work* that I have decreed as a *combat organisation*: the **Order of New Knighthood**, which might perhaps appear derisory to human eyes but which is truly *My Work* and the expression of *My Will*.

(11 January 2013)

A-M: Here I am Lord, if you wish to speak.

Jesus: Daughter, you know that I want to work every day; your moment is mine. Listen and write:

The times are now short before the **Sign of the Son of Man** appears in the Heavens. All will see it rise in the *Orient (East)* and only the ignorant will fear and be in dread of it. You, My Children, know that this signifies the Meeting with Me, your God of Love. You will experience the fear of God, and great Joy and Hope, despite your miseries, your weaknesses and your littleness because you know that I am coming to lift you up.

The **Sign of the Son of Man** is the **Cross** traced out in the heavens in *signs of fire*. Yes, the stars will be disturbed at the approach of this *sign*, and you, My Children, you will be seized with an announcing interior trembling. When you feel this interior trembling, raise your eyes

¹³ Contemptuous or irreverent talk about God and sacred things.

to the heavens and you will see **My Sign** appear. Let yourselves experience joy because *I am coming*.

After this *particular judgement* of your souls, nothing will be the same as it was before. You will understand *My Divine Plan* and many of you will join up in My **Order of New Knighthood** in one of its five branches. My Army will swell and this will be necessary because the veritable combat, the *Great Combat*, will then commence between the Sons of Light and the sons of darkness who will have refused *My Day* (the '*day of the Sign of the Lord*'). Then the period that follows will be very difficult for My People because despite all *My Words* (prophetic messages) you are not really prepared for the necessity of this combat. You are having difficulty accepting that a time is coming when, in your civilisations of 'progress' and 'fraternal love' (humanism), **that you will have to fight for your survival because of My Name.**

On the **Day of the Sign in the Heavens**, you will receive the *Gifts of the Holy Spirit*¹⁴ and *Strength, Courage and Discernment*. You will no longer be like blind children. Your eyes will be opened and you will be filled with astonishment that I am intervening so powerfully in the course of human history because of you, *My faithful yet so weak little remnant*. My Children, I love you dearly. Let your souls aspire towards this marvellous meeting with Me as much as I desire it Myself.

(18 January 2013)

A-M: Lord, here I am at last; You know that I have not had the time ...

Jesus: I know, daughter, do not be anxious, I love you, all is well.
Now, listen and write:

Evil winds are going to sweep over France and no-one is sheltered from them. Who could hide himself from My Holy Ire? There is no place that will not be visited in its time. **I am coming; I am coming to thresh My Harvest, because the time of the Harvest has arrived** (i.e., ... the '*Second Coming*'). Yes, the **Harvest** must now be brought in because I want to count *My faithful little remnant*. I am the Good Shepherd and I am counting *My sheep*. Not one must be lost.

(21 January 2013)

Thank you for coming, daughter, now that you have some time. Today, your feast day (St. Agnes, 21st Jan.) and the day commemorating the martyrdom of (King) Louis XVI (guillotined on 21st Jan 1793), I want to speak to you about *My King*, he who will one day be the *Great Monarch* because of his reign which establishes *My Social Reign* over the world. He is already the *Great Monarch* by divine election but he will be called the *Great Monarch*

¹⁴ Wisdom, Understanding, Counsel, Fortitude, Knowledge, Piety, and Fear of the Lord, CCC#1831.

because of his **reign of Peace and Justice which will enable the establishment, throughout the world subject to his jurisdiction, of My Reign.**

You have well understood, thanks to several well chosen readings (...) that the State exists to provide for the temporal common good which enables each soul to exercise its liberty as a *child of God*, which is to do *My Will* and the *Will of My Father*. Hence it is of the greatest importance that **righteous Catholic Kings reign over My chosen Nations which incorporate in their Laws and the institutions of their Nations My Law and My Justice, so that everyone is able to come to Me and that the Kingdom of Heaven be established upon the earth. It is the Catholic King and the State united with the Pope and the Church which makes up the Catholic people, and which provides the means for each individual to advance serenely and joyously towards the last things and to Heaven.**

Fortunately for you, My Children, the martyrdom of Louis XVI and him alone merits for you this great King whom I promise because, today, you do not merit him and you are not praying much to Me for his coming. He will not come as you expect and many will not recognise him. In this his life is marked by the Cross. Now, My Children, this *King* has been given. Therefore, pray no more that I give him, but pray **for** him, because he is already amongst you in all your tribulations. Pray **for** him so that he finds the strength to rise up at the moment when I will raise the *Battle Cry* that will launch him.

He will not be what you think. None of the **kings** of the **twelve chosen Nations** will be what you are expecting and yet they will reign **in My Name and for My Name**. I am their justification (reason for existence) and their Crown. My Justice is their sceptre (cf., *'the rod'*), My Peace their shepherd's crook (cf., *'the staff'*). They are *shepherds*, they are *servants*, and the *Great Monarch*, the *Prince of the Franks*, is the *servant of servants*. By their action, unique in time – because if there have been more than *twelve* over time, there have never been **twelve reigning according to My Justice at the same time – they will establish My Reign, that of My Return.**

But beforehand, My Children, I am going to shake up time, peoples, and false nations and apostate states that are working against My Reign. This is the combat. Here are St. Joan of Arc and St. Louis of France. I love you, My Children. Become acquainted with My Thoughts (Thinking), understand *My Plans*, and live in Joy and full of Hope. The *time of the kings* ¹⁵ is very close, but beforehand the old world must pass away because one does not put new wine in old wineskins, as you yourselves know well.

(22nd January 2013)

A-M: Lord, here I am.

Jesus: Yes, daughter, thank you; listen and write:

¹⁵ Daniel 2:44.

The serpent writhes under the heel of My Mother, it cannot escape from her and it knows it, and this enrages it against her and her race: this is yourselves, My Children of the *little remnant* of the *Israel* of today, My People. And in its rage, it tries by every means to make you fall in following it. But I have redeemed you, My Children, and you have nothing to fear from its contortions and its bites. Hold onto your *Faith*, maintain your trust and hope, and above all the Love for My Name and Love for My Mother and you will be conquerors.

(31st January 2013)

Jesus: Good morning, daughter. Thank you for coming to meet Me. I love you and I am waiting for you to be My secretary. Listen and write:

The dead speak when I so permit it, for the good of one or for all. Daughter, write what My servant, Marthe (Robin) of Chateauneuf de Galuare, said when you visited her a few days ago.

A-M: She said to me: 'You are like me, from you is coming a **great work**.'

Jesus: Good, this is a consolation for everyone concerning the future of the **Order of New Knighthood**. Yes, it will be a **Great Work**, for Me it is already a **Great Work** because it is Mine. Are you reassured?

A-M: I am not overly worried, Lord, because it is your **Work** and not mine, and I am only charged with secretarial duty.

Jesus: You forget that you are the **Founding Mother** of the **Second** as well as the **Fifth** branches of the **Order**.

A-M: I do not forget this, Lord, nevertheless I accept *Your Will* upon me knowing that is solely by *Your Grace* if I manage to accomplish anything. I do my best to enlarge my heart to the measure of maternity that You desire of me.

Jesus: Yes, daughter, you speak the truth. Enlarge your heart to accomplish *My Work*, and I will take care of all the rest and even more. You have only **to be**, in *My Will*, in the Truth and in your truth. I speak of your vocation chosen by Me, such is your truth, even if humanly speaking it surpasses you and might disconcert others.

I, I see before Me the soul as it was created by My Father, perfect as He is perfect, because made in His image and likeness. This, My Children, is what I see in you: the soul created perfect by My Father in His image and His likeness. Remind yourselves always of this truth. This does not mean that I close My eyes to sins or faults, no; this means that I see you in **your interior truth, perfect, the truth of your vocation, your divine election**. And your earthly life takes place to enable you to work and become yourself, in other words perfect like My Father is perfect. Otherwise you are but a deformed image, imperfect, little worthy of Heaven and My Father who created you in His immense Love in His image and His

likeness. And this way of perfection can only be traversed with humility and simplicity of heart. *'Blessed are the poor in spirit, for theirs is the Kingdom of Heaven.'* (Luke 6:20)

(5th February 2013)

A-M: Lord, here I am to listen to you, and I have some time ahead of me if all goes well.

Jesus: Yes, good morning, daughter of My Heart, I am here because you are here. Listen and write.

The mountains will be brought low and the hills raised up because I am coming to My Domain and it must be ready to welcome Me. I am already there but I am coming in a more powerful way. It is My Power of Living God which will overturn the powerful and raise up the humble. You are still thinking, My Children, that I do not fulfil My Promises and that time is not advancing. Nevertheless you are wrong because, finally, are you yourselves really ready for My Coming? **Are you ready for the Combat of the Sons of Light against the sons of darkness?**

First of all, recognise who they are and learn to know them; be lucid in seeing and understanding their works; do not be dupes to their manoeuvres. Open your eyes to the realities that you must face up to. Do not be like ignorant children before them; instruct yourselves about their evil deeds and their plans. Do this in order to be able to conduct a proper combat, for Me. In the face of your discoveries, remain calm and believe in victory because I am with you. There will be no Victory without combats.

The *Great Combat* is a *Work of Justice* that I am permitting you to undertake in order to redeem, for your own benefit and for that of generations, original sin. The fault of Adam must be completely effaced so that you would be free and would no longer bear its consequences in your human nature. I have redeemed **all** sins, and Baptism effaces original sin.

But I want more for humanity in order for it to enter the Kingdom through My Social Reign: I want that, like the Immaculate Conception, man would be born without original sin, because, from now on, every man will be a *Child of God*. I am coming to purify the parents and to take away from them the root of evil so that children would be freed from original sin from their conception. I want a holy humanity like My Mother and I were holy and immaculate. We have shown the Way, in Truth. And this is why we are truly the New Eve and the New Adam, models for humanity.¹⁶

This new felicity for humanity is for today's time; in *My Eternal Present* I already have it before My Eyes. In your time, there still has to take place the *Great Combat* which will inevitably follow the **Warning**, then the **Great Miracle**, and then if it is necessary the **Great**

¹⁶ See *Revelation 21:5*.

Chastisement will follow to complete the indispensable purification. Yes, the times that are coming will be very difficult but exalting times for whoever enrolls under *My Banner of Christ the King*.

(8th February 2013)

Jesus: Good morning, daughter, thank you for coming to listen to me.
Listen and write.

The time of the apostate nations is over. I have placed a term (an appointed time) on their existence and you are going to see their end quite soon, they will be swept away by their apostasy and their avidity (greed; desire to devour, to consume, to possess), of those who dominate the present world for their master, Satan. **Then will come the time of the chosen Nations and their blessed Kings. The time of My Social Reign is coming, the time of Justice and Peace.** But before this, the *Great Combat* takes place. I am with you for this Combat. I know, you have had enough of constantly waiting and hoping against the current. My Children, live in Joy because I am coming. Remain in Peace because I am with you and accept the fact the time belongs to My Father. Nevertheless, your eyes will see the beginnings of My Glory.

A-M: Lord, let Your Will be done.

Jesus: You are right to say, '*Lord, let Your Will be done.*', and thus will take place the times that you are waiting for. Keep your lamps lit because the Bridegroom is coming to espouse you and to conform you to Himself so that you would be apt for the *Great Combat*. Yes, My **Warning** precedes the **Great Combat**. Nevertheless the *Combat* has already commenced and you are in the time of **ACTION** for God. The times of preparation are closed. **Now it is advisable for you to place your will in MY WILL without second thoughts and without fear, and in this way I will be able to ACT in you and through you.** You are called to be the '*ACTION OF GOD*', '*GESTA DEI PER FRANCOS*'.¹⁷

(14th February 2013).

A-M: Lord, here I am.

Jesus: Daughter, listen and write:

The time of tribulations for the Church has commenced,¹⁸ according to My Will, because I

must purify her. But first you will see the **consummation of the abomination of desolation**. Be ready. The **great schism** is for soon. It is primordial for the that the new Pope of the Church be elected for the *passage* (i.e., 'passover'), for Easter. So much therefore for what concerns events that are happening at the present time.

Do not be surprised at what takes place; you have been warned for a long time. My **Order** must close ranks around St. Michael and his warriors. Remain faithful to the **unchanging Law**, to the **Eucharist** (the **Holy Mass**), to **Adoration**, to *Devotion to the Most Precious Blood of the Sacrificed Lamb Who I Am*, and especially remain close to **My Mother** who is the **Mother of the Order**. Let nothing persuade you to stray from this line of conduct because it is justice and it is *My Will*. Hold fast in the tempest that is coming and let nothing that happens surprise you from now on because the time has come.

Daughter, now diffuse this first part (of this booklet). Amen.

**Jesus Christ, Ruler of Nations
Grand Master of the Order of New Knighthood**

---- ---- ---- ----

Consecration to the Most Precious Blood of Our Lord Jesus Christ.

Conscious, merciful Saviour, of my nothingness and of Thy sublimity, I cast myself at Thy feet and thank thee for the many proofs of Thy grace shown to me, Thy ungrateful creature. I thank Thee especially for delivering me by Thy Precious Blood from the destructive power of Satan. In the presence of my dear Mother, Mary, my Guardian Angel, my Patron Saint, and of the whole company of Heaven, I dedicate myself voluntarily with a sincere heart, O dearest Jesus, to thy Precious Blood, by which Thou hast redeemed the world from sin, death and Hell.

I promise Thee, with the help of Thy grace and to the utmost of my strength, to stir up and foster devotion to Thy Precious Blood, the Price of our Redemption, so that Thy adorable Precious Blood may be honoured and glorified by all.

In this way, I wish to make reparation for my disloyalty towards Thy Precious Blood of Love, and to make satisfaction to Thee for the many profanations which mankind commits against that precious price of their salvation. O would that my own sins, my faithlessness, coldness and

indifference, and all the acts of disrespect I have ever committed against Thee, O Holy Precious Blood, could be undone.

Behold, O dearest Jesus, I offer to Thee the love, honour and adoration, which Thy most holy Mother, Thy faithful disciples and all the saints have offered to Thy Precious Blood. I ask Thee to forget my earlier faithlessness, coldness and indifference, and to forgive all who offend Thee. Sprinkle me, O Divine Saviour, and all mankind with Thy Precious Blood, so that we, O Crucified Love, may love Thee from now on with all our hearts, and worthily honour the Precious Price of our Salvation.

Amen.

Prayer to Raise Up the Great French Monarch, the King of France:

'Daughter, I now so ardently want to give My King that I am giving you a prayer for yourself and your companions, a prayer to say **after the Consecration to the Precious Blood**, so that I give the King who will give Me the earth in order for Me to present it to My Father.' (Prayer given by Our Lord, 11 June 2011). On 21st January 2013 Our Lord *added that this King has been given and that we must now pray for him to respond and be raised up in grace and strength.*
